Welcome to **BBQ BOB'S**, the only restaurant  
in Loveland specializing in pit-smoked  
barbecue fare.

Kelly and Barbara Green founded this Texas-  
style barbecue restaurant in Loveland, Colo., in  
July 1997.

The couple wanted to serve up authentic  
Texas eats, so they set out to find the best  
barbecue recipes the state had to offer. Kelly  
and Barbara threw in some of their own  
touches to come up with the tasty fare you  
now enjoy at **BBQ BOB'S**. However, the  
meaty Cowboy bean recipe is uniquely Kelly's,  
and the zesty Cole slaw recipe is all Barbara's.

All the meats featured at **BBQ BOB'S** – beef  
brisket, pork shoulder, ribs, chicken and Polish  
sausage, are slow-cooked in the pit out back  
using mesquite, hickory, apple and cherry  
woods. The beef and pork spend 12 hours in  
the pit, cooking low and slow, to produce the  
juicy, succulent flavor you will enjoy every time  
you visit **BBQ BOB'S**. It's a true taste of Texas.

**BBQ BOB'S** – where we reserve the right to  
call you 'BOB.'
